

Instructions

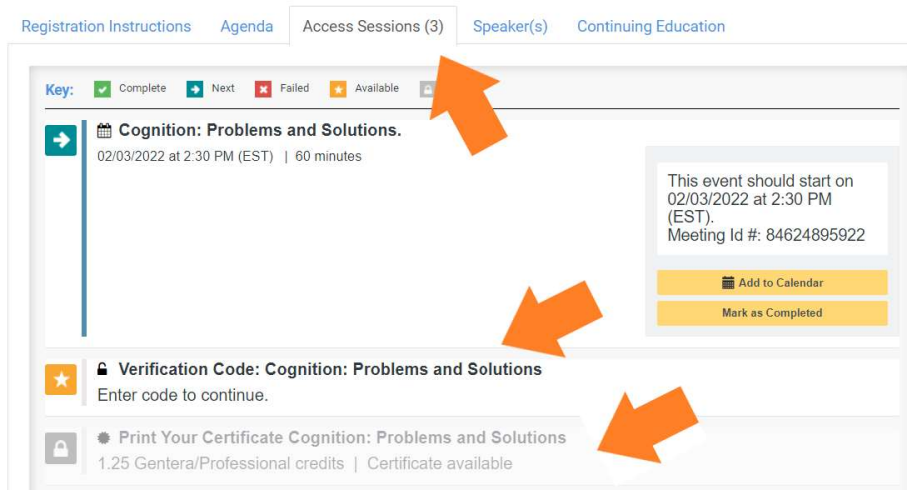

Registration/Access Sessions/Presentations/Continuing Education

Registration

How Do I Registration For The Next Session: When you register the first time for the webcast you are automatically permitted to access each session. This means you do not need to re-register each time you what to access a session.

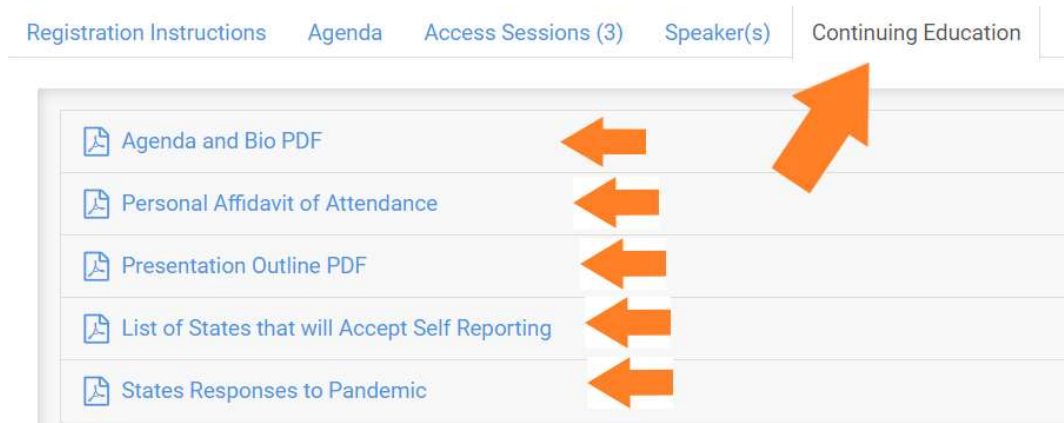

Access Sessions

How Do I Access Sessions: To access and view the next session, you will need to select the [Access Session](#) tab. Select the session you want to view.

Continuing Education

How Do I Access Continuing Education Material To access Continuing Education Materials, you will need to select the [Continuing Education](#) tab.

How to Self-Report CE:

Participants must self-file for continuing education credit with the local authority which records individual activities and tracks the continuing education. This could be continuing education for accountants, attorneys, examiners and law enforcement. Participants can self-file after completing 40 minutes of the session.

[Continuing Accounting Education Information](#)

Can I Watch this Virtual Event with a Group of People and Still get CE?:

No, you will need to watch this session while logged-in to your account on NASAA Learning. This will enable us to track and record your progress and verify that you've completed all the necessary steps so that you can print your certificate.

What To Send When I Self-Report:

When filing for your credits with your state authority, you must include:

- A copy of your Certificate of Attendance
- Your signed Personal Affidavit of Attendance
- Agenda for the sessions
- Speaker Bio.
